downtown prayer walk
(a virtual walk)

- Follow along with the YouTube video, accessible at www.pvmchurch.org/good-friday-walk
- Suggested use: Beginning outside Blessed Sacrament Church, use the video and this program guide to lead you through the downtown area to each of ten stations. After you listen to the content at one station, pause the video and move to the next station.
- Alternate use: Use the video as a guide at home, or on another path of your choosing.
- At each station a Biblical Storytellers Guild member will recite the text for that station, followed by a short prayer led by a local pastor.
